## MUNICIPAL PHONE DISCUSSED

The weekly meeting of the Greater Glendale Development Association, held at the Intermediate School Tuesday evening, was given over almost entirely to a discussion of the telephone situation.

City Attorney W. E. Evans stated that the Supreme Court had recently decided that the Postmaster General had the rate-fixing power, and now the only relief we can look for is when Congress turns the telephone lines over to their original owners. When this is done, the old rates may be restored, though there is no assurance of that. He did not advise against paying the bills as presented.

Mr. Irwin, the engineer employed to make investigation for the city, was present, and stated that he had not arrived at a point where he could give definite figures as to the cost of establishing a municipal system, as he needed to get replies from letters sent to manufacturers of telephone instruments in the East, with regard to present prices. He thinks that Glendale, with her well-installed light and water systems will be able to install a system at much smaller cost than if it were necessary to build everything from the beginning. He said there are many independent, mutual and stockholders' companies that are doing business independent of the Pacific Telephone Company. He referred to the Home Company at Pomona, which now has about 2200 subscribers, and is giving free service to La Verne, San Dimas, and Claremont.

City Attorney Evans stated that the Railroad Commission would not have any right to interfere with the rate-fixing of a municipal telephone system, and that if Burbank should

establish a municipal system, it would be possible, by mutual consent, to have free service between the two cities. The Railroad Commission would have the right to fix the toll to be charged in case a municipal system of Glendale should ask for connections with Los Angeles. A per cent of the toll charge would be paid into the telephone department of our city.

Captain Jackson, chairman of the committee on solicitation to remove phones, reported that he had a list of about 1600 classified and arranged alphabetically. It was decided to defer the presentation of this list to the telephone company until such a time as the association might think the presentation of the list would have the best results.

The sentiment of the meeting was strongly in favor of the installation of a municipal system.

## VINCENT SALMACIA A BENEDICT

Vincent Salmacia, of the Glendale Phonograph and Piano Company, and one of the prominent young business men of this city, was quietly married Sunday afternoon at the Holy Family Catholic Church to Miss Katherine Rochetti, of Los Angeles. Father O'Neill officiated. Miss Ruby Goodwin, of Los Angeles, was maid of honor, and Horace Neeley, also of Los Angeles, was best man. Only relatives of the bride and groom were in attendance. Following the ceremony a wedding supper and reception for the bridal party was held at the home of Frank Salmacia, brother of the groom, at 703 Orange Grove Avenue. The young benedict has leased a home on Salem Street, where he and his bride will be at home to their friends in the near future.

Beginning today, the Tropico Herald office will be closed on Saturday afternoons.

## ELECTION JUNE 17

Glendale will vote bonds for the extension and improvement of the water system June 17th. City precincts have been consolidated into ten, with six officers each.

One of the items in the budget of improvements is an electric generator plant. It also provides for water mains in many sections of the city which are not now served, and for a reservoir at a higher level, which will afford greater pressure and greater volume of water, and therefore better fire protection. This is one of the main objects of the water improvements.

The budget also makes provision for funds to develop the water supply in Verdugo Canyon in such a manner as to better protect the purity of the water with a possibility of increasing the flow.

## STATE BOND ELECTION

There will be a State Bond Election held on July 1 for bonds for \$40,000,000 to complete State highways and build others. There will be 22 election booths in Glendale, we understand.

## BURBANK MUSIC CO.

Horace Neeley, an old friend of Vincent Salmacia, is to be associated with the Salmacia brothers in business, and will be in charge of the Burbank Music Company, which they are opening in Burbank.

## PROCEEDINGS OF BOARD OF TRUSTEES

Regular meeting of the Board of Trustees of the City of Glendale, June 5, 1919. All members present. The minutes of the last previous meeting were read and approved.

### Protests Against Opening of Orange Street

The hearing of protests against the opening and widening of Orange Street from the northerly line of Lexington Drive to the southerly line of Milford Street, being set for hearing at this time, was taken up.

The Clerk read a number of protests from individual owners of property affected, and also a protest filed by Volney E. Philp and about sixty-five (65) others, protesting against the assessment of their property for the proposed opening.

The City Engineer reported that he had checked up the protests on file, which represented 53% of the property involved.

Mr. Arthur Brown addressed the Board, favoring the improvement, and Rev. Willisford and Mr. Philp, the latter having circulated the protest, also spoke.

The discussion developed the fact that many of the protests had been made because of a wrong impression existing in the minds of the protestants as to the amount and distribution of the assessment.

On motion of Trustee Woodberry, the hearing of the case was continued until 8 o'clock p. m., June 26, 1919.

**Protests Against Change of Grade**  
The Chairman called for protests against the change of grade on a portion of Verdugo Road, there being no protestants present and no protests having been filed.

### Application for Permit

Application was received from L. Lombardo for permission to operate motor vehicles on a regular schedule over the San Fernando Road to Burbank, Lankershim, and Van Nuys. On motion of Trustee Shaw, hearing of the application was set for 8:15 p. m., June 26, 1919, before the Trustees in the City Hall.

### Reports

Reports were presented and filed from the City Treasurer, Tax Collector, Recorder, and Building Inspector.

### Change of Grade Ordinance

Trustee Henry offered an ordinance providing for the change and establishment of grade on a portion of Verdugo Road, which was read and laid over.

### City Manager

The City Manager presented a writ-

ten report in regard to the work on the Glendale and Montrose Railway Company on Wilson Avenue, particularly at the corner of Wilson Avenue and Glendale Avenue. The communication recommended that a permit be granted to the railroad company to locate tracks as set forth in a diagram, and suggested further that in granting a new franchise to the company certain provisions be incorporated in the same. On motion of Trustee Woodberry, it was ordered that the recommendation of the City Manager in regard to the Glendale and Montrose Railway Company be concurred in, and that the City Attorney is requested to furnish a written opinion, to be filed with the proceedings, as to the liability of the City in the premises. The motion was adopted by the following vote:

## YOUR \$5.00 WILL BUILD THE BOULEVARD to YOSEMITE

A paved highway will be constructed to **Yosemite**, if **you** help. Buy a certificate. It only costs \$5.00, and will give you free entry into YOSEMITE NATIONAL PARK in lieu of Government's regular \$5.00 toll

The money derived from the certificates will be used to build the boulevard. Certificates may be secured from May 22 to June 7, at the

**Tropico Garage & Machine Shop**  
410 West Los Feliz Blvd.

If you are anticipating making a trip to Yosemite, you will have to pay a toll of \$5.00, so you may as well purchase your ticket before you go, and at the same time become a booster for one of the best highways in the state.

Ayes: Henry, Jackson, Woodberry.  
Noes: Shaw.  
Not Voting: Muhleman.

On motion of Trustee Shaw, it was ordered that the application of the Tropico Feed and Fuel Company for permit to install scales opposite their place of business on San Fernando Road be denied.

#### Engineer Public Service Department

The Engineer of the Public Service Department presented specifications No. 1, being general specifications of City of Glendale for overhead pole line construction, which on motion of Trustee Shaw were adopted. The Engineer of the Public Service Department also presented specifications describing the work to be done in installing electrical improvement for Municipal Improvement District No. 2 of the City of Glendale, which specifications were on motion of Trustee Shaw adopted, and the City Clerk instructed to advertise for bids for the installation of electrical equipment. Said bids to be opened at 7:30 p. m., Thursday, June 12, 1919.

#### Forest Grove Water Company

The Engineer of the Public Service Department made a report on the condition of the Forest Grove Water Company in Verdugo Canyon, which property under recent contract is to be taken over by the City. On motion of Trustee Shaw, the Chairman of the Board of Trustees was authorized to join with the Forest Grove Land Company in an application to the Railroad Commission of the State for permit for the City of Glendale to take over said water system, by the following roll call: all voting aye.

On motion of Trustee Shaw, the Glendale and Montrose Railway Company was granted an extension of two weeks time within which to do certain work at the junction of Glendale Avenue and Broadway.

Mr. Irwin, telephone expert employed by the city, reported progress, and on motion of Trustee Jackson his employment was authorized for five days more.

Adjourned.

#### TROPICO PRESBYTERIAN CHURCH NOTES

There will be Children's Day exercises at the Tropico Presbyterian Church Sunday morning, June 8, be-

ginning at 10:30 o'clock. They will take the place of the regular morning service

In the evening Miss Rose Scott, of Los Angeles, will give a demonstration of a summer school of Bible study. It is the expectation such a school will be held in the Tropico Presbyterian Church in July.

#### Fault-Finding.

Why should we denounce fault-finding because it is not constructive? All of us are continuously finding fault, more or less, and on our success in finding the fault and destroying it depends mostly our successful development. So in the end it appears that fault-finding is essentially one of our most constructive activities. One of our worst faults is the hypocritical practice of finding fault with fault-finding.—F. H. Young in Providence Journal.

# ROGER BAKER TO SPEAK AT THE METHODIST CHURCH

Roger Baker, just recently returned from overseas, will speak of his experiences in the army, at the Tropico Methodist Church on Tuesday evening at eight o'clock. A special program for the evening has been arranged by the Baraca Class, which will also serve for them as a welcoming home to Mr. Baker, who is a member of this class. Selected musical numbers, both vocal and instrumental, will be rendered, and refreshments will be served in the Social Hall.

The feature of the evening will be the talk given by Mr. Baker, who will tell of his army experiences from the time he left Tropico until he returned a few weeks ago. As Roger was in the fighting zone for some time, his experiences will be interesting, and the fact that he has many friends in Tropico who have more than ordinary interest in him, will make it more interesting to them. A few of his experiences have been reported to the Herald office, but we are going to leave it to Roger to tell about them next Tuesday evening, as it is expected that all of his friends will be there.

It is reported that Roger has a good collection of war souvenirs, which will be on exhibition that night.

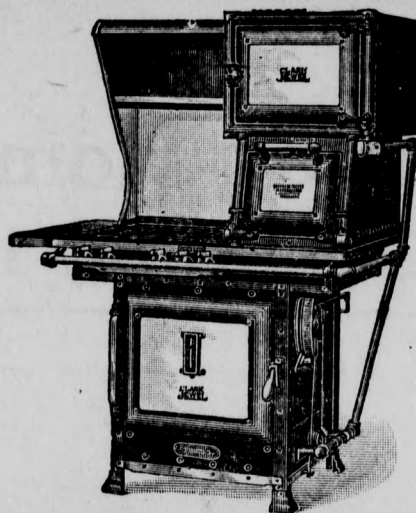

## Artificial Pearls.

Essence d'Orient, from which artificial pearls are made, is produced from the brilliant scales of the ablet, or blay, a small fish with a green back and a white belly. About four thousand are required to produce a pound of scales, which gives a quarter of a pound of the essence.

## "A RUN ON THE BANK"

Last Tuesday Tropico residents, as well as the passing tourist on the San Fernando Boulevard, witnessed a "run on the bank," as one excited tourist who stopped at the Herald office to inquire the facts expressed it.

But the affair was only a "movie picture take," in which the old National Bank of Tropico Building, with appropriately reworded window signs, and the entire Payne Block across the street were the piece de resistance. Incidentally, some 200 people took part in the production.

An unusual double bill is being offered at the Palace Grand Theatre today. Wallace Reid appears in his biggest thriller, "The Roaring Road," a hair-raising melodrama of auto racing. In addition, there is the big six-reel comedy success, "The Better 'Ole." This is the famous story by Captain Bairnsfather, of the British army, which is proving so popular both on stage and screen. It is a show you will not soon forget. The regular Palace Grand prices will be charged. Matinee at 2:30. Evening shows at 7:00 and 9:00.

Dorothy Dalton, the great Thos. H. Ince star, is due tomorrow, Sunday, June 8, in her latest picture, "The Homebreaker." It is the story of a saleswoman who stacked up against the best men on the road, and won easily, but found it hard to win out with her own best pal. There will also be a two-reel comedy, "Have Another." Matinee at 2:30. Evening shows at 7:00 and 9:00.

Earle Williams, the well-known Vitagraph star will be seen on Monday, in the famous story, "A Gentleman of Quality." This is a very interesting drama of mystery and suspense. Also there will be shown the world's latest events by Pathe News, and a Bray Pictograph and Cartoon

Comedy. There will be a matinee at 2:30, and evening shows at 7:15 and 9:00 o'clock.

On Tuesday, June 10, Viola Dana, the clever, dashing little star who was seen here a short time ago in "Satan, Junior," appears in another great picture, "The Parisian Tigress." This is the story of a little waif, a child of the gutter, singing and dancing in the cafes of Paris, and of the changes that come into her life. On the same program is a Harold Lloyd comedy, and a Bruce Outdoor picture. Matinee begins at 2:30. Evening shows at 7:15 and 9:00

"The Blinding Trail," which comes on Wednesday, June 11, features Monroe Salisbury, the screen's most convincing Northern character actor, and shows him at his greatest. This is a great picture of the frozen North, and one you will enjoy. There will also be a comedy. Matinee begins at 2:30, evening shows at 7:15 and 9:00.

Those who were unable to see Nazimova in her wonderful production, "The Red Lantern," on Monday or Tuesday of this week, will be given the opportunity next Thursday. This is the most elaborate picture on the screen, and one that you cannot afford to miss. Remember that it is to be shown at the regular prices. Matinee begins at 2:30, evening shows at 7:00 and 9:00.

"Whitewashed Walls," a burlesque on Central American politics, will be the attraction for Friday, with William Desmond as the principal actor. It's a story that will keep you laughing. There will also be a Mutt and Jeff Cartoon and a Burton Holmes travel picture. Matinee at 2:30, and evening shows at 7:15 and 9:00.

For one week from today, the management has procured Douglas Fairbanks in his latest, biggest picture, "The Knickerbocker Buckaroo."

## Jottings By The Way

By The Rambler

We note among our newcomers in Tropico the Barbers at 3355 Laclede, McClelland and Bayha families at 1731 South San Fernando Road, and the Richmonds at 330 West Eulalia.

The war is over, but heroism need not die—the heroism of self sacrifice for the good of others—the heroism of those suffering on beds of pain or sickness—of those who view the rapidly approaching end of life's journey—these and many others are the heroisms of every-day life.

Idleness is rust. Better wear out. On with the dance!

The Humberts are noted as new residents at 1721 South Gardena Avenue.

Alpha Bet got a hair-cut this week. Oh, you!

The love of a little child is a rare jewel.

We understand that there was some considerable run on the Slocum Bank this week.

The Frost sisters, of Redlands, are visiting at Divalls on West Cypress Street.

The Fone Fight is some fracas, all right. Well, faint heart ne'er won fair lady.

A bed-bug and a flea can ramble some too, yet.

Some of us didn't know there were any blind pigs in Los.

True and sincere friendship is a gem of purest ray serene.

Got any friends? Try to borrow a dollar.

Well, spread out a little, fellow. Touch elbows with the world.

Ah, you A. B. C. man!

Each of us is the sculptor of his own rock. Our own life is the stone on which we must work.

Well, Slocum was a great man, all right.

Not much news this week except a wash-out, a "hold up" on the So. Pac., and the K. P. dance and entertainment.

That was, by the way, "sure" some show pulled off by the K. P. bunch Tuesday night. After the lodge preliminaries, the doors were thrown open, and a goodly number passed in.

Dancing was preceded by an interesting program, which included addresses by Landon Haynes and Mr. Templeton, several vocal and instrumental solos, monologues and readings. Prof. Hibbert mystified the audience by his unusual tricks of magic.

This is the first of a series of "large doings" to be given by Glendale Lodge, Knights of Pythias, from time to time. The officers report that new members are coming in and that the prospects for the future are bright.

#### BACK EAST VIA FORD

Mr. and Mrs. Glenn Porter, of 344 Salem Street, left Monday for an overland trip by auto in the expectation of being gone for about three months. Their Ford car has been fully equipped for the journey with a side-car bed and a wagon bed for the cartage of trunk and camp outfit in the rear. Mr. Porter also bought a good, strong tow rope. They will follow the old Santa Fe trail and visit friends in Illinois at Monmouth and Aledo, Chicago being their most eastern objective. Their homeward journey will be by the Lincoln Highway, and they will make stops in Nebraska, where they have relatives, and at Salt Lake City.

#### ARKANSAS PICNIC REUNION

Owing to the rains, the Arkansas people were unable to carry out the picnic reunion plans for Saturday, May 3rd, and the picnic was postponed to Saturday, June 14th, Sycamore Grove Park.

#### ANNUAL FEDERATION PICNIC

The annual picnic of the Glendale Federation of P.-T. A. will be held Monday, June 9th, on the grounds of the John Robert White home, 347 North Orange, from 11 to 5. Luncheon at 12. Members should bring sandwiches and cake and each one a spoon, fork, and cup. The Federation

will serve salad and coffee. The new officers will be installed early in the day. An enjoyable time is promised for all.

# "THE REJUVENATION OF AUNT MARY"

High school students, and others who enjoy seeing a good play, are looking forward eagerly to the presentation by the Senior class of the school, on June 17th and 18th, of the famous comedy, "The Rejuvenation of Aunt Mary." The members of the cast, under the direction of Miss Terry, of the dramatic department, are working hard, and there is every indication that the production will be a creditable one.

The play, which proved its worth a number of years ago with May Robson in the title role, tells the story of an elderly aunt who goes to visit her young nephew in the city. The things that happen will keep you delighted to the end. The cast is as follows:

Aunt Mary, Louise Butterfield.

Her Nephew Jack, Rhuark Dudley.

Burnett, Mitchell and Clover, chums of Jack, Robert Carmack, Frank Balthis and Philip Wernette.

Stebbins, Aunt Mary's Lawyer, Gilbert Emery.

Joshua, Aunt Mary's Hired Man, James McCluskey.

James, the Burnett Butler, Russell Tummel.

Bertha Burnett, Burnett's sister, who poses as Aunt Mary's maid, Grance, Cecilia Lyons.

The Girl from Kalamazoo, Ivy Mills.

Lucinda, Aunt Mary's property, body and soul, Mildred McKee.

Daisy Moss, the villager, Ruth Shafford.

## Whence the Red in Flags.

The actual defenders of the red flag do not know or have forgotten that red was formerly the color of the church militant, and also of royalty until the epoch when Henry VI, king of England, took the title of king of France. Then red came to be considered as an inimical color in France and was replaced by white, which in its turn was given up by the English. The red flag was displayed by the Catholic troops of Charles IX and Henry III, while the flags of the Protestants were white.

Every advertiser in the Herald represents a successful business. Not a "dead-head" amongst them. A word to the wise is sufficient.

**PRETTY CHURCH WEDDING**

A very pretty wedding was solemnized last Tuesday evening at the Church of the Angels, in Garvanza, when Miss Evangeline Huntley became the bride of Seymour G. Smith. The ceremony was performed by the rector, Rev. Harry Thompson, the full Episcopal ring service being used.

A charming organ interpretation of Mendelssohn's Spring Song entertained the waiting witnesses until it was time for the wedding march to announce the coming of the bridal party.

The bride was lovely in her white satin gown trimmed with princess lace, with bridal veil of silk net fastened with a coronet of orange blossoms. Preceding her was Miss Gladys Justema, maid of honor, in a rose pink organdie gown with hat and shower bouquet to match. Little Ruth Tower, who followed Miss Justema and strewed rose petals in the path of the bride, wore white organdie, with pink accessories matching the pink of the rose petals she carried in a Dresden basket tied with pink tulle bows.

The bridesmaids all wore organdie gowns, matched by their hats and bouquets. Miss Lila Webster was in blue, Miss Waunita Emery in yellow, Miss Esther Schremp in lavender and Miss Marjorie Imler in green.

Dwight Stephenson was best man, and the ushers were La Motte Gardner, of Los Angeles, and Walter

Beach, Sidney Simon, and Jamie Shea, of Glendale. Like the groom, all wore conventional evening dress.

Mrs. Huntley, mother of the bride, was gowned in silver gray charmeuse, satin beaded and embroidered, and wore a chiffon hat to match, its crown appliqued with flowers in pastel shades of pink and blue.

Miss Virginia Huntley wore pink organdie with hat to match, and Mrs. J. Herbert Smith, mother of the groom, was garbed in king's blue charmeuse satin with sequin trimmings, with a large white hat trimmed in pink and blue.

Following the ceremony, the party motored to the home of Mr. and Mrs. J. G. Huntley, where about forty relatives of the bride and groom were entertained with a reception and supper, after which the young people left by auto on a tour to the Yosemite and other points of interest in the north. After an absence of about a month, the happy couple will make their home at the Huntley residence, during the absence of Mr. and Mrs. Huntley in the East.

The young couple are both well known in Glendale, where they have lived and attended school. The bride has spent one year studying music at Pomona College. Mr. Smith returned last fall from service in the army, where he had attained the rank of sergeant, and has since that time been associated with his father, J. Herbert Smith, in the Glendale Grocerteria, in which business he will continue.
